

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3681

February 26, 2012

SUMMARY OF BILL: Exempts, from the handgun safety course requirement, those applicants for a handgun carry permit who have been a member of the Tennessee General Assembly within five years prior to applying for such permit.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under current law, a handgun carry permit applicant is exempt from taking a handgun safety course if he or she has been certified by the Peace Officer Standards and Training (POST) Commission; has successfully completed training at the law enforcement training academy; has successfully completed the firearms training course required for armed security guards; or has successfully completed all handgun training for not less than four hours as required by any military branch.
- Expanding the current exemptions of the course requirement to include members of the General Assembly will have no fiscal impact on state or local government.
